

III Open Villa de Colunga

Colunga, 12 de julio de 2003

[Más información](#)

67 jugadores tomaron parte este año en el torneo, una muy buena participación teniendo en cuenta que participaron pocos chavales. El torneo fue muy fuerte: faltaban muy pocos de los mejores jugadores asturianos. Destaca que más de la mitad de los jugadores (35) tuvieran FIDE y 59 jugadores tuvieran Feda o

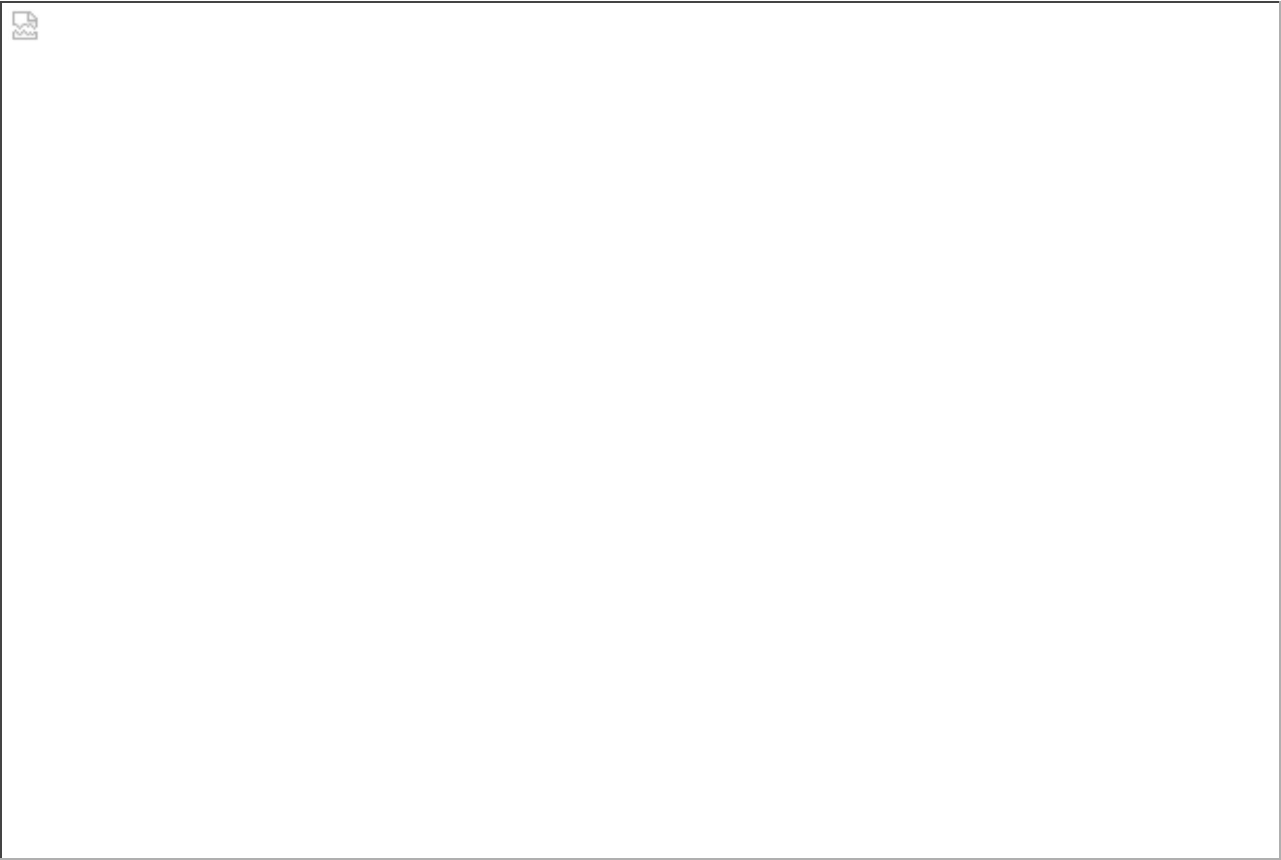

Fapa.

No se registraron incidencias en el torneo, y el único inconveniente fue el día tan caluroso que hizo, lo que provocó una excesiva temperatura en la sala de juego.

La victoria final fue para Iván Andrés, que dando muestras de la dureza del torneo hizo 6 de 7 contra una media de 2229. Una performance de 2538. Impresionante Iván. Sus rivales fueron: Omar Alonso, Enrique Alvarez, Marcos Molina, Rubén Ceñal, Menéndez Rey, Uría, Vigil y Roldán. Tablas con Uría y en la última ronda ante Roldán, asegurando el campeonato.

Buen torneo también el realizado por Uría, que tampoco perdió parte, cediendo tablas ante Marcos, Iván Andrés y Héctor López e imponiéndose a Cabo, Ortiz, Penillas, Agüera y Vigil.

Por su parte, Marcos Llaneza, que creo está muy fuerte ultimamete y es bastante probable que nos de una alegría en el Campeonato de España Sub 16, que comienza hoy, fue otro de los destacados.
