Marcos Llaneza y Samuel Castelao llegaron empatados al final del torneo. Samuel, encarriló pronto su partida, mientras Marcos tenía una complicada posición: dos peones de menos compensadas por una mayor actividad de piezas que aprovechó para realizar un ataque contra el enroque rival que le llevó a la victoria. Al final, hubo emoción pues hubo que esperar a la conclusión de las partidas para conocer al campeón: Marcos Llaneza Vega, de 13 años. Con este triunfo, Marcos rompe su racha de derrotas ya que desde su última victoria en el Campeonato de España Sub 12 no había cosechado ninguna victoria importante. Marcos todavía dispondrá de tres oportunidad más para intentar conseguir ganar dos Trofeos Román Torán, algo que nadie ha conseguido hasta la fecha. Samuel Castelao, mereció también la victoria porque realizó un buen juego durante todo el torneo, perdiendo tan sólo frente a Marcos.

En el encuentro comarcal disputado a partidas de 25': el combinado Caudal/Nalón/Rioja se impuso con autoridad a Oviedo, Gijón y Avilés.

La sesión de simultaneas impartidas por el excampeón de Asturias Rubén Pascual Arevalo finalizó con diez victorias y dos tablas a favor de Rubén.

9 de septiembre

Samuel Castelao y Javier Recuero dieron la sorpresa al vencer a Iván González y Marcos Llaneza, respectivamente, con lo que se iguala la cabeza de la tabla, comandada ahora por Marcos Llaneza y Samuel Castelao. Recuero y Kike Alvarez, les siguen a tan solo medio punto. Samuel jugó un gambito del dama cambiando cxd5 y lanzando un ataque de minorías que le condujo a la ganancia de un peón. Marcos, tuvo tablas en un final de peones pero erró en los apuros de tiempo.

Marcos venció con negras a Miguel Angel Saenz y sigue imparable y eliminando día a día a los pocos rivales que le quedan. Iván González sigue a la espera de un pinchazo de Marcos, hoy no pasó problemas al derrotar a Kike Alvarez en la apertura. Samuel Castelao, Javier Baragaño y Javier Recuero son las otras alternativas al triunfo final.

8 de septiembre

Kike Alvarez y Marcos Llaneza, firmaron tablas sin excesiva lucha, en una posición ligeramente favorable al segundo, si bien no era de su agrado. Iván González, derrotó sin problemas a Jesús Menéndez, que se dejó una pieza en la jugada cinco. David Recuero entregó una pieza por ataque, pero Kiko Sierra no pasó ningún tipo de problemas para defenderse y contraatacar haciendo valer su ventaja material. Tampoco pasaron apuros Miguel Angel Saenz frente a Marcos Riera y Samuel Castelao ante Olegario García.

Marcos sigue imparable, 7 de 7, tras derrotar al pequeño David, ahora se enfrentará a Kike Alvarez, que se impuso al hermano de David, Javier Recuero. Destacar también la actuación de Jesús Menéndez Villar que se encuentra en el siguiente grupo de perseguidores, puestos 3 al 9, con 5.5 puntos

7 de septiembre

Marcos Llaneza se situó líder en solitario tras derrotar a Samuel Castelao e Iván González, en dos buenas partidas que parecen indicar que Marcos se encuentra en buen estado de forma. Iván planteó una defensa cerrada frente a la siciliana de Marcos, y consiguió ligera ventaja, pero cometió una pequeña

imprecisión y a partir de ese momento, Marcos presionó en la columna c, atacó por el flanco de rey rival con la dama, alfil y caballo y logró una buena victoria. Mal día para Iván que había hecho tablas en la anterior partida contra Miguel Angel Saenz. En segunda posición se situaron David Recuero y Kike Alvarez, sorprendente lo del primero, dada su corta edad. David, derrotó a Olegario y Miguel Angel Saenz y se medirá a Marcos Llaneza. Sorprendente también está siendo la actuación de Javier Rubio, que derrotó a Kiko en la segunda ronda y ayer se deshizo de Aitor Alonso.

Se inició ayer la XV edición del Trofeo Román Torán que se desarrolla en Infiesto hasta el próximo día 12. Dado que en el sistema suizo, por el que se desarrolla el torneo, en la primera ronda se emparejan los sesenta jugadores teóricamente más fuertes contra los que no lo son, a priori, tanto, los resultados de la primera ronda pueden considerarse como normales al haberse producido el triunfo de los primeros en un porcentaje altísimo. Sin embargo, el gijónés Angel González (aventajado discípulo, como se ve, de Juanra Rodríguez) se impuso en bonita partida de ataque, nada menos que al avilesino Kiko Sierra, que integró la selección asturiana cadete ganadora del Campeonato de España.

Un emparejamiento curioso fue el que enfrentó a las castrillonenses Carla Suárez y Andrea Fernández-Velasco, primeras figuras ambas del ajedrez femenino sub 12, finalizando la partida con la victoria de Andrea.

Tras el cierre definitivo de inscripción en el torneo, finalmente son ciento veintiuno los participantes, siendo los más jóvenes Esteban Salgado y David Baragaño, ambos con 6 años de edad, y en esta primera ronda ya dejaron constancia de su buen hacer ante el tablero. Y, dato ilustrativo de la creciente femenina en el ajedrez asturiano, son veinte las chicas participantes, entre las que cabe destacar a las ya veteranas Sara Busto, Cristina de la Fuente, Raquel Bernaldo de Quirós, Cristina Suárez y las indicadas Carla y Andrea.

El ranking inicial teórico de fuerza, en sus 20 primeros puestos es como sigue: 1. Iván González, 2. Francisco Sierra. 3. Enrique Alvarez 4. Miguel Angel Saenz 5. Marcos Llaneza 6. Samuel Castelao 7. Aitor Alonso 8. Javier Recuero 9. Jaime Rodriguez 10. David Recuero 11. Pablo Gutiérrez 12. Ignacio Rodríguez 13. Jesús Menéndez 14. Juan Ignacio Sánchez 15. Olegario García 16. Marcos Riera 17. Sara Busto 18. Javier Fidalgo 19. Fernández Fernández-Velasco y 20. Ivan Acha.

El acto de inauguración, que tuvo lugar en el Ayuntamiento de Piloña, contó con la presencia del alcalde Juan Roberto Pérez; Alvaro Alvarez, en representación de la Dirección General de Deportes; Manuel Espina, por CajAstur; María Melendi, Concejala de Deportes y José Luis Fanjul, Presidente de la Federación Asturiana.

Las dos rondas de hoy tendrán lugar a las cuatro y a las seis y media de la tarde, en la sala polivalente municipal de Infiesto.
