

II OPEN INTERNACIONAL DE AJEDREZ CIUDAD DE OVIEDO

Más información en [Ajedrez de Estilo](#)

El torneo se disputó durante los días 18 y 19 de septiembre y consiguió reunir una excelente participación de 284 jugadores, más de 15 GM y más de 20 países, gracias a la buena labor de la organización, sobre todo en las personas de Carlos Pérez Rubio y José Ramón Artime Cuervo.

El torneo se desarrolló con exquisita deportividad, sin apenas reclamaciones en cuanto al juego, aunque si en cuanto a resultados provocadas por un error del árbitro principal.

Los jugadores asturianos realizaron un excelente papel que no se refleja en la clasificación final, ya que perdieron la última ronda: Alberto Suárez, Alberto Andrés, Héctor López, Javier Agüera... que ganaron a más de un GM.
